

# Shoe size conversion chart

The shoe size conversion chart below only serves as a guide to help you determine the sizing equivalent of our products in different parts of the world. Please note that the actual sizing may differ slightly from the chart as the size conversions listed are APPROXIMATE - there is no universally accepted international conversion for shoe sizing.

M/W indicates Men's or Women's Sizes. Other systems are for either gender.

System		Tyrek Size Chart																			
North America	M	4	4 1/2	5	5.5	6	6.5	7	7.5	8	8.5	9	9.5	10	10.5	11	11.5	12	12.5	13	13.5
